

203's SOUPer BOTS

OUTREACH IN SCHOOL

- Host annual Summer STEAM Camp
- Present at CCTS bi-annual Open House
- Present to elementary and middle schools
- Sponsor annual middle school Tech Challenge
- Host an off-season FIRST Robotics Competition
- Host a STEAM Day and Robotics workshop for Boy Scouts and Girl Scouts
- Collect and donate clothes to local charities
- Collect supplies for Hurricane Victims
- Made robotics an elective for those who can't join afterschool
- Volunteer at our school's plays and musical recitals

OUTREACH OUTSIDE OF SCHOOL

- Started three new FRC teams: 1) at our sister campus in Pennsauken, NJ, Team 6921, Penn Tech Tornados and 2) at Haddon Heights High School, Team 7110, Haddon Heights.
- Mentoring four new FIRST Lego Leagues Teams in the following schools in Camden County, NJ: Gibbsboro, Magnolia, Clementon Elementary Schools, and Ann A. Mullen Middle School
- Participated in the NRG Philadelphia Eagles Event
- Volunteered and attended FRC off-season Events
- Presented at: NJ School Boards' Conference, Lockheed Martin, Campbell's Soup, Science & Technology Fairs, Camden County Tech Challenge, and various Camden County and NJ state events
- Invited to the Rockwell Automation Fair where our team was honored to represent the MAR and FIRST along with 3 other teams
- Traveled to the New Jersey State House to talk to representatives and about making FIRST a Career and Technical School Organization

The orange pins represent the FIRST teams our team started and are mentoring, and the blue pins represent our team's involvement throughout the state of New Jersey.

\$45,500 IN FUNDRAISING

Parent Booster Fundraising, Annual Car Wash and Yardsale, Sponsors (Campbell's Soup Foundation, Lockheed Martin, U.S. Army, and Garrison Architects), and various corporate donations.

\$42,400 IN EXPENSES

Registrations, Meals, Transportations, Hotels, Shirts/Uniforms, Printed Materials, Website, Robot Construction Supplies, Spirit Wear, etc.

HOW WE SPEND THE REST OF THE FUNDS

Team 203 provides disadvantaged students the opportunity to attend our annual summer STEAM camps. We also sponsor a Technology Challenge to middle school students and other STEAM related events. We share resources with our mentoring Rookie Teams.

60 MEMBERS

For every 10 male members, there are 3 female members on our team.

Our school has students living in 28 different towns within the State of NJ, with 30% residing in Camden City. More than 65% of the students in our school are on free or reduced lunch.

PAST GOALS

- Start and mentor more FIRST teams
- Increase our volunteer efforts
- Attend more off-season events

GOALS FOR 2019

- Further interactions between our team and STEAM/FIRST enthusiasts via social media
- Host events both on and off season
- Inspire female students to pursue STEAM-related careers
